"I have been afflicted with sciatic rheumatism for 14 years," says Josh Edgar, of Germantown, Cal. "I was able to be around but constantly suffered. I tried everything I could hear of and at last was told to try Chamberlain's Pain Balm, which I did and was immediately relieved and in a short time cured, and I am happy to say it has not since returned." "Bro. Barnes" Converted Again

Letter to Mrs. W. G. Welch.

ZION HOME, 234 MICHIGAN AVE., CHICAGO, April 21st, 1902.—Dear Sister:

I have been in quarantine for nearly a month on account of smallpox. If you take the Leaves, you have had a full account of the mishap; but you didn't know that your Bro. Barnes had been caught. Beyond the loss of liberty we have suffered no inconvenience whatever. Our meals are served with regularity and in abundance. Our mails are delivered regularly and our company is congenial and cheerful all along the line.

It has been a period of great spiritual blessing to me and I hope to come out better equipped for preaching the gospel of G. I. L. A. N. E than ever before. I have had a third conversion this month, and strange to say, in Chicago, the wickedest city on the continent perhaps, where on the 25th of August, 1876, I got at a holiness meeting, out this avenue, that spiritual impetus that sent me to the evangelistic work in the mountains of Kentucky and eventually around the world with the glad tidings of G. I. L. A. N. E.

That was my second conversion. The first was in 1843 in Dayton, Ohio, when I passed from darkness to light and from the devil to God.

Ryan Commandery and the Lebanon Commandery will participate in the event.—Advocate.

During the past winter Mrs. R. Sutherland, of Nicholasville, has been nonplussed by the mysterious disappearance of paper money from her cash drawer. As she opened the drawer to make change yesterday a mouse sprang out. A search was instituted and under the eider was found a nest lined with greenbacks. Mrs. Sutherland says that her loss from this source is in all probability \$200. Only a small amount can be redeemed.

PINK LEMONADE AND PEANUTS.

The Great Sells-Downs Shows Coming Here Soon.

The small boy hath a heart, and it now is glad. The peanut market has been cornered and the pick has been made for the lemonade. Sawdust will be trampled on and the city and county will soon be show crazy. Sells & Downs generally wake things up. Failure is unknown to them, they are born showmen.

An unprecedented record of success is the story of this show from the day of its inception. The features of the performance proper are too numerous to mention, one alone, Prof. Berries and his 65 superb equines furnishing an act worth the price of admission itself.

Another, the great Cycle Whirl, with the original European and American bicyclists on the miniature Madison Square Garden race track, and Miss Edna, the only living lady equestrian who successfully accomplishes the great feat for a woman of turning somersaults on the back of a swiftly running horse at every performance. These three features alone are a whole show in themselves and when the balance of the program is thrown in one can truthfully say the Sells-Downs Show is indeed the best on earth.

The date in Stanford is May 12.

FOR THOSE WHO LIVE ON FARMS.

Dr. Bergin, Pana, Ill., writes: "I have used Ballard's Snow Liniment, always recommend it to my friends, as I am confident there is no better made. It is a dandy for burns." Those who live on farms are especially liable to many accidental cuts, burns and bruises, which heal rapidly when Ballard's Snow Liniment is applied. It should always be kept in the house for cases of emergency. 25c, 50c and \$1. At Penny's Drug Store.

WORLD WIDE REPUTATION.

White's Cream Vermifuge has achieved a wide reputation as being the best of all worm destroyers, and for its tonic influence on weak and unthrifty children,

as it neutralizes the acidity or sourness of the stomach, improves their digestion and assimilation of food, strengthens their nervous system and restores them to the health, vigor and elasticity of spirits natural to childhood. 25c at Penny's Drug Store.

The Lexington Leader makes this unkind remark concerning a good man:

"It is a noticeable fact that Paducah never had a \$1.85 tax rate until Urey Woodson went there to live. Urey comes high, but we must have him."

WHOOPING COUGH.

A woman who has had experience with this disease, tells how to prevent any dangerous consequence from it. She says:

Our three children took whooping cough last summer, our baby boy being only three months old, and owing to our giving them Chamberlain's Cough Remedy, they lost none of their plumpness and came out in much better health than other children whose parents did not use this remedy. Our oldest little girl would call lustily for cough syrup between whoops.

THE INTERIOR JOURNAL

E. C. WALTON.

W. P. WALTON.

Is a Candidate for Railroad Commissioner for the 2d District, subject to the will of the democracy.

H. H. HENNINGER,
Of Wayne County, is a candidate for State Treasurer, subject to the action of the Democratic party.

WHEN bill was presented in the late Legislature to do away with party emblems on the ballot, the republicans raised a howl, because they claimed that it would impress an educational qualification contrary to the constitution. A test of their sincerity in the matter is now being made. Senator Ed Parker, who wants to succeed Boreing in Congress from the Eleventh district, applied to the committee to let his name go on the ballot under the picture of a barefoot boy, but it refused to permit emblems on the ballot. Senator Parker has appealed to the State committee and it will be interesting to note whether it will adopt the educational qualification members of the party kicked so high about. In the Eleventh district a device is almost absolutely necessary, as by it a great many are enabled to vote as they wish, and if Senator Parker's appeal is denied it will be proof again that the republicans are not sincere and that they gauge their assertions and acts to suit the occasion.

IN withdrawing from the race for the democratic nomination for Congress in this district, Hon. Lillard Carter, of Lawrenceburg, issues the following card: "Unforeseen business connections and other matters of grave private import have led me to reluctantly conclude to withdraw from the race for the Congressional nomination. This conclusion has been reached not because I think that I should have been defeated, for my prospects seemed exceptionally good to me. Strong men in most of the counties of the district have promised and given me warm and manly support. This leaves only two candidates in the field, and a majority of the party can now name the nominee—nothing much to be desired. I am deeply grateful to my many friends for their ardent and sincere support." This narrows the race down to Hon. R. C. Warren and the present incumbent, with the chances greatly in favor of the Lincoln county entry.

HON. DAVID H. SMITH, of the Fourth district, seems to have a pretty firm grip on the people of his ballwick. He was declared the democratic nominee to succeed himself in Congress and a nomination by that party in the Fourth is equivalent to election. David isn't pretty, but he is smart, is little but loud and usually gets what he goes after, except when he went up against Gov. McCreary for the United States Senate.

FAITH may cure the hysterics and other similar diseases, but you want to send for a doctor when any serious trouble arises. The second Elijah, otherwise Dowie, of Chicago, professes to be the chief of faith curists, but he couldn't tackle the small-pox. He applied at once for vaccine points.

LEXINGTON is getting ready to royally entertain Booker Washington when he lectures there in June. For men worshippers, in deed and in truth, Lexington people take the cake. And color cuts no figure either.

POLITICAL.

H. Clay Evans was appointed consul general at London.

Sixth district democrats want a primary to name a Congressional candidate.

Col. D. G. Colson opened his campaign for Congress at McKee, Jackson county, yesterday.

Hon. Peter J. Otey, member of Congress from the Sixth Virginia district, is dead at his home in Lynchburg.

The convention to nominate a democratic candidate for Congress for the 10th district will meet at West Liberty July 20.

Some fools are comparing Roosevelt to Lincoln. Shakespeare must have had this case in mind when he said, "comparisons are odorous."—Lexington Democrat.

The Mississippi Teachers' Association adopted a resolution prohibiting the use of any history in the State which does not credit Admiral Schley with the victory at Santiago.

Judge W. E. Settle declined to accept a committee nomination for appellate judge, and the democratic mass meetings and district convention will be held as originally ordered.

H. A. Barrows, disbursing clerk in the census office at Washington, has been removed because of a shortage in his accounts. He will be succeeded in office by John W. Langley, of Kentucky.

Congressman Amos J. Cummings died in Baltimore from pneumonia, incident to an operation. Mr. Cummings had a varied experience as typesetter, soldier and editor, and was serving his eighth term in Congress.

Havemeyer, before the Senate committee, said the Cubans will get the benefit of proposed tariff reductions.

H. G. Squiers, secretary of legation at Pekin, will be the new Minister to Cuba, and Geo. E. S. Bragg, of Wisconsin, Consul General at Havana.

The Senate committee on the Philippines reversed itself again as to the summoning of Maj. Gardner and determined not to ask the secretary of war to recall him from Manila before the return of his regiment.

The democratic committee of the 14th judicial district has ordered a primary to be held August 5. The limit for entries is July 21. It is not probable there will be any opposition to Judge Cantrill and Commonwealth's Attorney Franklin.

Senator McLaurin has issued an address to the people of South Carolina defending his course as a member of the United States Senate. He announces that he will not submit his claims to the proposed democratic primary and urges that it be ignored.

The Lexington Democrat throws this bouquet to a worthy gentleman: It is said that Gov. Beckham will soon announce his candidacy to succeed himself as governor. Such announcement would delight an army of friends, for no man has grown more rapidly in the love and favor of the people than J. Cripps Wickliffe Beckham. The best lawyers say his eligibility can not be gainsaid.

In an editorial on the Philippine situation the New York World makes this startling statement: "It is not exaggeration to say that we have killed more of the natives in three years than the Spaniards had killed in 30, and have practiced cruelties that have never before disgraced our warfare." And it would perhaps have never been known had not Gen. Miles let the cat out of the bag. The administration at Washington sanctioned the butcheries, too, and will be held responsible for them.

THIS AND THAT.

A Brooklyn school teacher, with his heart on the right side, has been accepted as a good risk by a life insurance company.

Dr. B. M. Palmer, the distinguished preacher, was knocked down by a trolley car at New Orleans and probably fatally injured.

Mrs. Kate Sofel pleaded guilty at Pittsburgh to the charge of aiding the Biddies to escape from jail. She will be sentenced Saturday.

George Gibson, aged 77, was sentenced to three years in the penitentiary in the criminal court at Louisville for passing a forged check.

Three masked men robbed a safe in the Lake Shore freight depot at Cleveland of \$500 after they had overpowered and bound and gagged a watchman.

Dan Butler, colored, was murdered and his body placed on the L. & N. track near Pembroke. Claude Bradshaw, his brother-in-law, is under arrest.

Galon is a great show horse, as has been tested in the show rings. His colts have been shown three years in succession at Hustonville, Danville, Springfield and other Fairs and have won the largest premiums for harness classes over all others. He has proven a great cross on saddle mares as he gives them colts, foals, action and step, and they are selling for the highest prices.

Galon won the trophy for the highest priced horse in the show ring at the 1882 Kentucky State Fair.

DYE is the name of a new postoffice midway between Yosemite and Liberty on the Middlebury pike. George Davis is the postmaster.

The Central Oil, Gas & Mining Co. has ordered pumps and tanks and will begin pumping the Baughman well as soon as they arrive.

J. W. PERRIN, the ice dealer, is advertising his business by furnishing ice water to all who wish to quench their thirst. He keeps a big red cooler full in front of his store.

THE Grand Leader spreads itself this issue. Read its "ad." on our second page and it will be time well spent.

THE 47th annual meeting of the Kentucky State Medical Society will be held at Paducah May 7, 8 and 9. Dr. Steele Bailey, the efficient secretary, left this morning to be present at the opening.

SHELTON.—The wife of Dr. William Shelton died at Nashville Friday night after a protracted illness. She was about 60 years old and a most excellent lady. Dr. Shelton went to her bedside some months ago.

OIL AT C. O.—Mr. Charles Redd, of Crab Orchard, who was here Saturday, told us that oil was so close to the surface around the East End capital that Joseph Pleasants struck a good flow while digging a post hole.

THE driller for the Hutchins Oil & Gas Co., Mr. Henderson, writes Hon. Harvey Helm that he has gotten his machinery straightened out and that prospects are flattering for a good flow of oil. Work is going on day and night now.

MR. JOHN B. MERSHON, who is a jack of all trades and good at all, has added to the Beazley stable shop machinery by which he can put rubber tires on vehicles as well and as cheaply as any house in the country. A sample shown us Saturday is proof that he knows his business.

SOLD OUT.—R. B. Wilkinson, who bought of O. P. Huffman his butcher shop here a few months ago, sold it back to him yesterday morning. Mr. E. L. Reinhart engineered the deal. It is generally hoped that Mr. Wilkinson will not leave Stanford, but will engage in other business here.

VALUABLE COW.—Squire James A. Dudderar has a valuable Jersey cow. Besides furnishing his family with milk and butter he sold \$50 worth of butter from her in nine months. The squire is very proud of this valuable piece of property and cares for her better than some people do their children.

BOUGHT A HOME.—Mark Hardin, who has lived in a hotel long enough to get rich as well as tired of the business, has bought of Mr. W. P. Walton the residence now occupied by E. C. Walton and will get possession at once. Mr. Hardin will continue the hotel business, but he and his wife will occupy their home as soon as they get "fixed up" for housekeeping.

THE Kentucky tobacco crop of 1901, according to figures compiled by Agricultural Commissioner Nail from the reports of county assessors, amounted to 187,825,021 pounds. Of this Lincoln county is credited with only 101,450 pounds. Daviess, with 12,371,020 pounds to her credit, is the largest tobacco county in the State and Bell, with only 15 pounds, is the smallest.

THE biggest sale Lincoln county has had for some time will occur Saturday next. W. H. and J. S. Murphy, executors of J. S. Murphy, Sr., will sell the splendid farm of 260 acres on the Hustonville pike, a 250-acre farm near Highland, a lot of knob land and the store-room in Stanford now occupied by John Bright, Jr., & Co. Read the advertisement elsewhere. Remember the date—next Saturday, May 10.

GOOD PROSPECTS.—A distance of about 500 feet has been reached in the second well on the Baughman farm, 600 feet from the producer, and there is every indication that oil will be found. The driller, Mr. John Keegan, says he will be a handsome sum that a good flow will be found and other experienced oil men are equally as confident. The Stanford Oil & Development Co. will begin drilling this week. Their first well will be sunk about 350 yards from the Baughman Well No. 2. South Bros., of Glasgow, have the contract and their two machines are en route here.

CRAB ORCHARD SPRINGS.—Mr. J. B. Willis, the clever mine host of Crab Orchard Springs, is getting ready for the opening of his delightful Summer resort which will take place about a month hence. The buildings have all been repaired, painted and whitewashed have been liberally used and the spacious grounds have been worked on until they are indeed "a thing of beauty." Rooms are already being engaged and the coming promises to be the biggest season in the last decade. Mr. Willis has a pasture full of beesves and lambs, which by opening time will be "fat and fine." He is also engaging Spring chickens by the hundreds of dozens.

He has named it The Grand Leader and extends his friends here and elsewhere a cordial welcome to visit him when in the Queen City. Mr. Ginsburg and family are clever people and we regret to have them leave Stanford.

THE semi-annual mass meeting of the county co-operation of the Christian churches of Lincoln county will be held at McCormack's church, Saturday, May 17th. There are 15 Christian churches in the county and they are all most cordially and urgently requested to send delegates to this meeting. The meeting will convene in the morning at 10 o'clock and continue till about 3 p.m. Dinner will be prepared by the congregation at McCormack's for all.

POWELL.—One of the saddest deaths we have had to chronicle in years is that of Miss Lee Powell, daughter of Mr. James W. Powell, of Hustonville. The young lady was barely 21 and gave promise of a long, useful life, but "He moves mysteriously" and early Saturday morning she was called to the land that is fairer than day. Miss Powell had not been in the best of health, but her death was very sudden, notwithstanding. She had gone to visit her sister, Mrs. J. D. Depp, at Middlebury, and while attending a school entertainment there Friday night she was taken ill. From that hour until death came she suffered intensely, but she bore it with wonderful fortitude. Miss Powell was a member of the Christian church at Hustonville and was one of the West End's best young women. She was the idol of her father, who since the death of his wife has been both father and mother, and was loved by all who knew her. Light-hearted, she saw the bright side of everything and few young ladies enjoyed life more than this one, who has been so suddenly taken away. She was the sunshine of a happy home, but with her gone the good father is left alone and his sorrow knows no bounds. God grant that he may be given power from above to stand his irreparable loss. After services at the grave at noon Sunday by Rev. G. W. Mills, all that was mortal of the excellent young lady was laid to rest in the Hustonville cemetery by the side of her mother, who had long since joined the silent majority.

White Bronze is to stone in the monument business what the improved drop-head sewing machine is to the old hand method, or the palace car is to the old stage coach. KING EAGLE.

King Eagle is 15 hands 3 inches high, dark bay, with flowing mane and tail, goes all the gait, with plenty of speed, style and action. Sired by Royal King. First dam by Eagle Bird, 2d dam by Red Lion, 3d dam by Harry Bell, sired by Miller Denman, 4th dam by Jim Bell, thoroughbred.

Note.—Royal King was sired by the great On Time.

He is a full brother to the great Silver King and Aillo G., the great show mare that sold for \$1,000.

King Eagle's 2d dam is the dam of Minnie Boyd, King's 3d dam, mare that Minnie won everywhere with in 1885 and sold for \$300.

King Eagle will make the season at my stable 2½ miles west of Stanford on the Shelby City Pike, at the low price of \$10 to insure a living colt.

Will also stand the noted mare and jennett Jack, **BILLY KEENE**, at \$8 for mares and \$15 for jennets to insure a living colt. Billy Keene was sired by the great Tom Keene. First dam by Surprise, he by the imported Palomino, 2d dam by Levi Hubbard's Prize, the son of the famous Black and Brown. Billy Keene stands full 15 hands high, black w/t white points, and as a breeder he is unsurpassed as a mare or jennett Jack. His colts will show for themselves.

Will also let that great 3-year-old Jack, **JIM KEENE**, about 20 months at \$8 to insure a living colt. Jim Keene stands full 15 hands and 2 inches high, black with white points. He was sired by the great Billy Keene.

Mares traded, parted, with or bred elsewhere for fees the insurance and money becoming the title of such transaction. For further particulars, address S. T. HARRIS, Stanford, Ky.

DIGNITY DARE.

DESCRIPTION.—Foaled 1895, 15 hands 3½ in. high, weighs in good flesh, 1,200 pounds; mahogany bay, with black points; a model in form with that wonderful style characteristic of the Chester Dare family so universally acknowledged as superior to all.

As a show horse he has made a good record, winning in his class and sweepstakes many blue ties. In his 3-year-old form wore 13 blue ties out of 14 shows thru Central Kentucky. In harness he is very stylish, well gaited, with pure decided action and steps a clip few saddle horses can show, making him a harness horse of the highest type. Under saddle he is attractive, bold, with best of line action, speedy, separating his gates perfectly, with knee action necessary for an up-to-date style. His colts, though young, are coming to the front and fast ranking him one of the best of breeders, which class bring sensational prices. His colts are large, rangy, with long, well-set neck, fine backs, broad, flat bone, with great action and best of colors. I respectfully invite you to call and inspect them before booking your mares.

PEDIGREE.—Sired by famous Chester Dare, No. 10, A. S. H. R., he by Black Squirrel, 58, he by Black Eagle, 74, he by King William, 67, he by Washington Denmark, 64, he by Gaines' Denmark, 61, he by imported Hedgeford; 1st dam Lizzie by Welchmont, No. 6367, A. S. H. R., he by William Welch, 34; he by Rysdicks Hambletonian, 10, 2d dam by Abdallah Messenger, 3rd dam by Gills' Vermont, 4th dam Thoroughbred. Welchmont's 1st dam Pauline by Almont Forest, 2863.

Will make the season 1902 at Lawn Mere Stock Farm, 2½ miles West of Hustonville, Ky., on Bradfordsville & Hustonville pike, near Carpenter's Station, at **\$20 to Insure a Living Colt**.

A small reduction on a club of 5 or more mares. Mares traded or parted with forfeits insurance and money become due at time of such transaction.

Lein retained upon all colts till season money is paid. Mares from a distance grazed \$2 per month. Grain fed, if desired, at reasonable rates. All bulls must be paid before removal of mares. Mares entrusted will receive my personal attention, but will not be responsible for accidents or escapes.

McCarty and after taking it apart, proceeded to dispose of it to an old iron man, when Mr. McCarty discovered his loss and claimed his property.
